## Tips for Parents & Students

 Parents please keep saying:

- ✓ “I’m proud of your effort!”
- ✓ “Let’s try a new way.”
- ✓ “Every brain can grow—just don’t give up!”

“Cognitive growth happens when kids try, struggle, and try again. Their brain literally rewires with each attempt. Let’s raise learners who believe in effort over instant success.” 

 **Train your brain – It’s magical!**
